BL

# **SISTEMA BL**

**Sistema de corrimão que oferece quatro possibilidades distintas:**

- **Corrimão só com vidro**
- **Corrimão de vidro com superfície superior livre**
- **Corrimão com prumo total**
- **Corrimão com prumo e superfície superior livre**

**Esteticamente apresenta dois tipos de perfil para corrimão:**

- **Corrimão circular com diâmetro de 67mm**
- **Corrimão elíptico com 80mm de medida exterior**

**Este sistema complementa-se com uma extensa gama de acessórios que permitem contemplar um elevado leque de soluções.**

## **ACABAMENTOS**

**Lacado, Lacado Decorativo (Madeira) e Anodizado.**
